

# Candidate Information Pack 2026

*Imagine the Possibilities*

*At the core of Moama Anglican Grammar's commitment to education we strive to provide a safe and inspiring educational environment that equips students with the skills and confidence to help create their future.*

# Welcome to Moama Anglican Grammar

---

Moama Anglican Grammar is a vibrant, co-educational, independent Anglican School offering a seamless Preschool to Year 12 education. With an open entry policy, and spanning two campuses, our school's mission is to provide a safe and inspiring educational environment that provides students with the skills, attributes and confidence to help create their futures.

Our dedicated staff, contemporary facilities, spacious grounds, and extensive academic, pastoral, co-curricular, and extra-curricular learning programs create an environment where students can explore diverse passions and interests whilst striving to achieve their personal bests.

A hallmark of a Moama Anglican Grammar education is an unwavering focus on academic growth and the personalised and proactive network of care provided by our teachers, educational support and professional staff across all learning environments and aspects of school life.

Every student is known, nurtured and supported, whether they are excelling academically, finding their

voice in the arts, developing confidence in sport or aspiring to step into leadership roles. This creates an environment where students can explore diverse passions and interest whilst developing personalised pathways.

Student growth and development opportunities that are unique to our school include access to comprehensive before and after school sport, music, STEM and creative and performing arts pathway programs. These programs cater for all abilities and include athletics, swimming, cross-country running, golf, basketball, netball, soccer, rowing, equestrian, dance, AFL, and academic competitions alongside our K-12 music and dance programs. These offerings reflect our commitment to nurturing diverse student passions and engagement.

At Moama Anglican Grammar, students are encouraged to grow, learn, lead and strive to achieve their personal bests in a supportive environment that values growth in all forms, care, relationships and community connection.

# Echuca/Moama – A Region of Choice

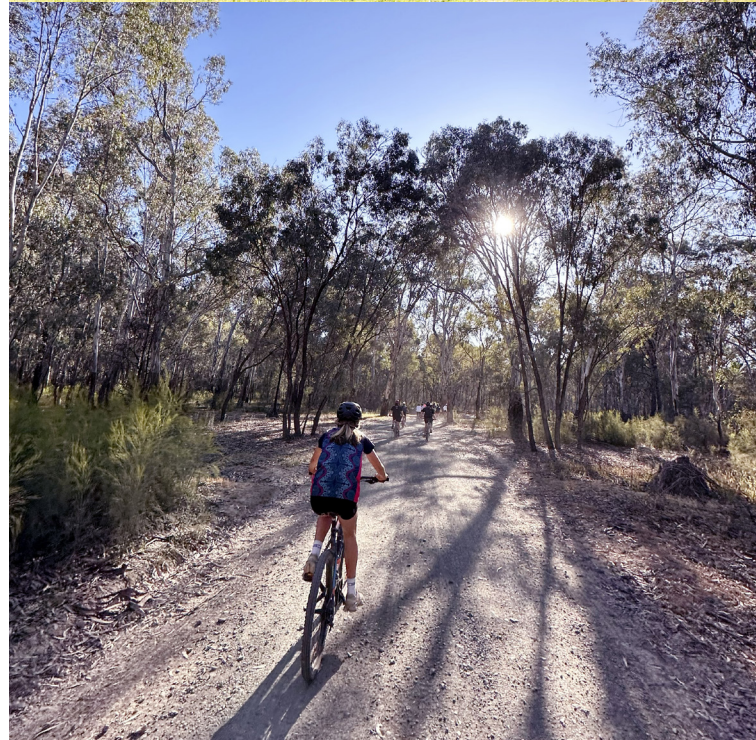

Moama Anglican Grammar is set in the idyllic location of Echuca/Moama on the Murray River which offers appealing lifestyle, employment and education opportunities in a vibrant and successful community.

Located on the banks of the mighty Murray River, the twin towns are the closest point of the Murray to Melbourne – just a two and a half hour drive. Boasting more sunny days than Queensland, the Echuca Moama Region has a temperate climate. Summers are hot and dry, spring and autumn are typically warm, whilst winter mornings are cold and frosty turn in to bright sunny days. Echuca/Moama is a great destination to live and work.

The region is home to the world's largest operating paddlesteamer fleet, and the oldest operating wooden hulled paddlesteamer, the 1866 PS Adelaide. Echuca Moama is home to over 22,000 people and is a tourism favourite, welcoming over 1.5 million visitors each year.

Alongside tourism, the region is famous for its agricultural industry, national parks and forests, sporting clubs and the emerging food and wine scene. Boasting numerous cafes, coffee spots and restaurants between the twin towns and festivals for locals and visitors alike to enjoy. There is always somewhere new to explore on the weekend.

# Our 2024 & Beyond Strategic Priorities

A new Strategic Plan is currently in development. In 2025 the School prioritised synthesising family, staff and student voice to inform the strategic planning processes. Extensive consultation has been undertaken across all areas of school life, and this collective work will be used to shape the school's next chapter. The 2026 and Beyond Strategic plan is due to be released in Semester 2, 2026.

## **Our current priority areas include:**

- Embedding evidence-based Teaching & Learning & Pastoral Frameworks
- Establishment of annual Staff Growth & Development plans and a high-quality staff Professional Learning Program
- Amplifying choice and opportunity within our Co-Curricular & Extra-Curricular offerings

- Master Plan Review - planning for growth & future proofing Moma Anglican Grammar
- Renewing our Marketing, Communication & Enrolment Strategy.

Key projects in 2026 include the development of an Early Learning Centre to provide Preschool programs for 3 and 4 Year old children from the commencement of 2027. Stage 2 of the Multi-Purpose Stadium has also commenced construction. This project, due to be completed by February 2027, includes general learning classrooms, individual music tuition practice rooms and a Food Technology precinct.

Master planning is in progress, with a focus on addressing the need for additional learning and specialist facilities with the unprecedented enrolment growth currently being experienced by Moama Anglican Grammar.

## Our Values

At Moama Anglican Grammar, our mission is to provide a safe and inspiring educational environment that equips students with the skills and confidence to help create their future.

Guided by our core values of Compassion, Respect and Integrity, we are committed to knowing every student as an individual and supporting them to achieve their personal bests. We believe that education extends beyond academic achievement, fostering young people who demonstrate empathy, responsibility and a genuine commitment to others and the world around them.

Central to our approach is a culture of nurture, belonging and care. Through a strong pastoral care framework, students are supported to develop resilience, personal responsibility and self-efficacy throughout their educational journey. We recognise that students thrive when they feel known, valued and supported, and this understanding shapes our approach to student wellbeing, learning and personal growth.

Our academic programs are informed by evidence-

based practice and a commitment to continuous improvement. Within engaging and challenging learning environments, students are encouraged to think deeply, communicate effectively, collaborate with others and apply their learning with confidence. Through visible thinking and deep learning approaches, students develop the knowledge, understanding and capabilities needed to respond to the opportunities and challenges of an increasingly complex world.

A key focus across our School is preparing students for success in learning and in life. Through a diverse range of academic, leadership, service, co-curricular and extra-curricular opportunities, students are encouraged to explore their interests, develop their strengths and broaden their experiences. By supporting personalised pathways, we empower students to make informed choices, pursue their aspirations and develop the confidence and capabilities to achieve their goals.

Working in partnership with families, we remain committed to educating the whole child by supporting each student's academic, social, emotional and spiritual development.
