

JOIN US AS A SPONSOR

We invite local businesses, families, and community members to support our upcoming Mary Poppins Jr school production through our Sponsorship Packages.

Your sponsorship helps provide students with valuable performing arts opportunities while promoting your business to our audience.

Funds raised through sponsorship in the program directly support the costs of bringing the production to life, including costumes, props, sets, technical equipment,

staging, and other production expenses. Your contribution helps us create a high-quality and memorable experience for both our students and audience.

To become a production sponsor or learn more about the available packages, please contact our Business Manager Suzanna Barry at sbarry@moamagrammar.nsw.edu.au.

Your support will make a meaningful difference to our students and the success of our Mary Poppins Jr production.
